Supporting Manitoba cadets

The Hubbell Awards Scholarship Fund, held at The Winnipeg Foundation, is a permanent endowment that provides annual monetary awards to recognize outstanding Manitoba cadets and help them realize their educational goals.

You can help support tomorrow's leaders and ensure future cadets are rewarded for excellent citizenship, academics and fitness. Gifts of any amount are welcome; all are permanently invested to provide stability for this award program.

You may also consider a planned gift to the Hubbell Awards – an easy and meaningful way to create your own personal legacy. You can support the Awards through a gift in your will, retirement assets, life insurance or other options. Staff of The Winnipeg Foundation have a wealth of experience and are available to help you through this process.

If you choose to make a planned gift, you will automatically be included in The Winnipeg Foundation's Legacy Circle, a program that recognizes those who have chosen to support the community with a promise to a fund at the Foundation.

The Hubbell Awards and The Winnipeg Foundation – working together, **For Good. Forever!**
